

Flying with Cebu Pacific

Cebu Pacific uses the newest airport terminal, Terminal 3. This is less than five minutes from our preferred hotels at Resort World and twenty minutes less travel time to Batangas than the other two terminals.

If you are travelling in a group of ten or more we can hold tickets several months out without names. We will need is your international arrival and departure itinerary so that we book the correct times (**this cannot be changed**). You can send names for your group no later than 60 days prior to arriving as per our standard terms.

Booking additional checked in luggage ahead of time is also very flexible and easy.

Our tickets come with a standard 30Kg/66lb allowance.

An upgrade to 45Kg/99lbs (total) is available for \$45 round trip.

Just let us know what allowance you would like when you confirm names and the amount will be charged to the individual at the boat/resort

Excess luggage at the airport is charges at P154 (about \$4) per kilo (2.2lbs)

Each passenger is allowed **7Kg/15lbs of hand carried baggage.**
