

We have selected three hotels to choose from, all located close (5-15 minutes) to Manila’s three airport terminals, within the Resorts World complex. The choice of accommodation in the three properties ranges from ‘standard’ to ‘six star’ and they share access to a wide array of amenities – cinemas, theatre, spa, casino, restaurants and shopping malls, all you will need - and more - on a short stopover (most amenities are open twenty-four hours a day).

A free airport shuttle service adds to the value and convenience of our selected hotels (a typical round trip hotel transfer will cost \$35 per person if you book an alternate hotel)

**Manila Transfers**

If you prefer private airport transfers and/or transport for shopping or sightseeing we can arrange cars, vans or luxury transport within the metro manila area. Please check for our latest rate sheet or contact our reservation staff for details.

**Alternate Hotels**

As with any capital city there are quite literally hundreds of hotels to choose from; we appreciate that our selection may not be your first preference or a chain that you usually use, however we are confident that our selection offers value, convenience and unrivalled access to things to help you pass the time.

If you choose to shop around 'on line' please consider the following:

\*Rates issued by hotels on line are outside our control

\*Inclusions, such as breakfast or transfers, are not always made clear

\*Local hotel tax is usually 22% and this may not be included in the advertised rate

\*Internet rates may not be flexible if you have to rebook or cancel

If you choose another hotel we will be happy to make transfer arrangements or assist in any way we can but we have a lot less influence or control over reservations that we do not make.
